The extension service circulars issued by the United States Department of Agriculture, whose titles and serial numbers are given in the following pages, have been mimeographed in limited editions only. Distribution to extension workers and to the libraries of State agricultural colleges and experiment stations has already been made. Those circulars which are indicated as being no longer available may be consulted at the State agricultural college or experiment station library. A few additional copies may be obtained of available circulars as long as the supply lasts. Requests should give title and serial number and should be sent direct to the Office of Cooperative Extension Work, United States Department of Agriculture, Washington, D. C.

DISTRIBUTION: One copy of this circular has been sent to each State extension director, State supervisor of extension work, extension editor, library of State agricultural college, and library of experiment station.
